

Assembly Instructions

Model: #1030

Description: QB&KB&CKB

Thank you for your support of our product. Be sure to check all packing material carefully for small parts that might have come loose during shipment.

Note: The lifts are engineered to properly accommodate a Saatva mattress. The lift will open and close smoothly with a mattress on it. If there is not a mattress on the lift, then the lift still operates but it is more difficult to close.

Part List					Part List			
No.	Description	Sketch	Size	Qty.	No.	Description	Sketch	Qty.
1	Bolt + (Lock & Flat Washer)		M6 x 25mm	10 Pcs	A	Headboard		1 Pc
